### What Have We Been Doing

So many holidays in February we lost count! We started with a finger puppet and pompom groundhog. The 100 Day was marked with a foam 100 pin with smarties. Chinese New Year-The Year of the Dragon-was celebrated with the book *Nick's New Year* and creating a red envelope for good luck money, along with an accordion dragon puppet. A Valentine's Day note card was created with treats attached, and we finished the holidays with a Presidential Log Cabin. We even managed to get outside for a few afternoons!!
